

Sale and Purchase

Our wealth of knowledge and expertise, combined with our extensive ships database enables Century Marine Services Ltd to provide prompt and accurate information and advice on a wide range of vessels to both Buyers and Sellers.

Included in this website are a selection of vessels we currently have for sale with their outline specifications. However, this site provides a guide only and we have many more vessels available on our database that may match your requirements.

If you require further information on any vessel listed, or have a specific enquiry, please complete our online form, quoting the vessel reference number (if applicable), or contact us direct. We endeavour to keep the site as up to date as possible, but if the vessel is no longer available, we will be able to offer you alternative vessels of the type you require.

For a specific purchase enquiry, please also complete the online form and we will endeavour to offer you a selection of suitable vessels.
